

Chugiak-Eagle River Site-Specific Land Use Study

Informal Work Session

November 8, 2007 3:00-6:30 pm

Eagle River Parks & Recreation
Community Conference Room

11901 Business Blvd, Room 204, Eagle River
(2nd Floor, Above Garcia's Restaurant)

Come by and see some of the ideas proposed so far for four Heritage Land Bank parcels under study in Eagle River. The Planning Team will be available with maps and conceptual plans to answer your questions and hear your thoughts about the project.

Your feedback is the key to developing a land use plan for these parcels that works for the Chugiak-Eagle River community, so stop by or contact the Planning Team with your ideas!

A draft of the land use plan is scheduled to be presented to the community in mid-December.
