

# What you think matters!

*the  
Issues*

Changing Landscapes,  
Subsistence Resources,  
Future Growth, Your Culture,  
Energy Costs, Transportation  
to other Communities

## **You**

Share your ideas with the North Slope Borough. We need **YOUR** help to review and improve municipal code **Title 18 + 19**.

## **Municipal Code**

Help us improve the Borough's laws on land use, resource development, permits, land divisions, village powers, and protecting subsistence and cultural values.

Learn how Borough code guides future development in your community and the region. How can Borough code better address your community's and the region's goals?

Visit: [www.co.north-slope.ak.us](http://www.co.north-slope.ak.us) Click on "Information."

## **in Your Village**

Attend a community meeting and share your ideas.

Dates are tentative and specific times and locations will be determined soon.
